

Become a **COMMUNITY RESEARCHER**

The Philadelphia Education Data Collective invites community members to join us as partners in research to address educational inequities in Philadelphia. This initiative, led by Research for Action (RFA), aims to equip residents in using data to drive positive change in schools, focusing on advancing racial and social justice.

**\$1,300
STIPEND**

THE COMMITMENT

Participation in training sessions (1 or 2 per month) from Oct 2024 to Oct 2025, including in-person sessions (2 hours) and virtual sessions (90 minutes)

1 to 2 hours of work between sessions (for example, readings)

A readiness to act to improve education for Philadelphia youth

THE BENEFITS

An opportunity to identify and address educational issues that matter to you

Participation in hands-on research and data analysis training led by professional researchers

A \$1,300 stipend

APPLY NOW!

LEARN MORE!

Interested individuals should complete a brief application form at bit.ly/RFA-DEDC to get involved. Once you complete the application, we will reach out with an email to attend an informational webinar on **September 25th or 26th**. For more information, contact **Saxon Nelson** at snelson@researchforaction.org.
