

Ivy Tech Dual Admissions

What is the type of admissions redesign?

Dual Admissions: Students starting their postsecondary education at a two-year institution may also be conditionally admitted to a partnering four-year institution and provided with supports from both institutions to facilitate their successful transfer contingent on completing applicable requirements.

In which state is it based?

Indiana

What state postsecondary agency or system sponsors the program?

Ivy Tech Community College System

When was the program first started?

2022

Does the student or state agency/system initiate the admissions process?

Student

What are the central characteristics of the program?

Dual Admission allows a student to work towards their associate degree at Ivy Tech while being simultaneously enrolled at a four-year partner college or university. In the first two years, students take Ivy Tech classes while being able to access on-campus activities and resources at the four-year partner institution where the student will later work on earning a bachelor's degree.

Program Scope 	Does the program include all high school districts or only a portion ? Is opt-in required?	All high school seniors may apply to Ivy Tech Community College, but must opt into the dual admissions program as part of their application.
	Does the program support admission to four-year institutions, two-year institutions, or both ?	Both four-year and two-year institutions participate.
	Which institutions are participating in the program?	Ivy Tech has Dual Admission partnerships with two Indiana universities: Indiana University Southeast and Purdue University Northwest.
Eligibility Criteria and Application 	What are the academic eligibility criteria for students?	Students must attend Ivy Tech and earn an associate degree with a cumulative GPA of 2.0 or higher, along with other requirements specific to the university.
	Are students still required to apply to postsecondary institutions?	Yes; students first apply to Ivy Tech using the general application, and then complete a form indicating the intention to participate in the Dual Admission program for their selected university.
	Is the application fee waived ?	No
Data and Policy 	What is the data source for the program?	Student application
	Did the state or system adopt policy related to the program, and if so what does the policy include?	No
